

# Bring Kagan to

**K**agan proudly offers a variety of professional development events your school or district may host. Choose the best format for your teachers: a 1-Day Introduction, a 2-Day Workshop, or a week-long Institute. Kagan also offers comprehensive reform packages for your school or district. When you choose Kagan, rest assured your teachers will receive the best training in education, and will learn structures they will be able to use immediately in their classrooms to make learning more engaging and more successful. Bring in Kagan. Bring in the best!

### A Note from Nancy Murray, Director of Kagan Professional Development

If you're considering Kagan for your school or district's professional development needs, please give me a call. I would love to work with you to set up a world-class Kagan training for your teachers. I'd be happy to discuss the easy steps to set up a workshop or institute, or would love to share with you Kagan's comprehensive plan for creating success in your school or district. Don't delay because Kagan's schedule fills up quickly each year.

"The knowledge and skills that we gained from this staff development yielded tremendous benefits for the faculty, staff, and our students. One benefit that we received was the continuous improvement of the quality of our teaching. As a North Carolina School of Excellence we are faced with the challenge of moving the high achievement levels of our students to even higher levels. After a year of cooperative learning training, our reading and math scores increased significantly."
