# Table of Contents

## At a Glance

### Part I. Cooperative Learning Theory and Research

1. **Chapter 1** Frequent Questions
2. **Chapter 2** Why Do We Need Cooperative Learning?
3. **Chapter 3** What Does the Research Say?
4. **Chapter 4** Why Does Cooperative Learning Work?

### Part II. Seven Keys for Success

5. **Chapter 5** Seven Keys for Success
6. **Chapter 6** Key 1. Structures
7. **Chapter 7** Key 2. Teams
8. **Chapter 8** Key 3. Management
9. **Chapter 9** Key 4. Classbuilding
10. **Chapter 10** Key 5. Teambuilding
11. **Chapter 11** Key 6. Social Skills
12. **Chapter 12** Key 7. Basic Principles (PIES)

### Part III. Cooperative Projects, Lessons, and Assessment

13. **Chapter 13** Cooperative Projects & Presentations
14. **Chapter 14** Planning Cooperative Lessons
15. **Chapter 15** Assessment & Grading
16. **Chapter 16** Motivation Without Rewards & Competition

### Part IV. Alternative Approaches

17. **Chapter 17** Classic Cooperative Learning
Table of Contents

- Table of Contents At a Glance ........................................... iii
- Table of Contents ......................................................... iv
- Table of Blacklines ....................................................... viii
- Table of Structures ....................................................... ix
- Structure Functions ...................................................... xii
- Table of Cooperative Learning Classic Methods ................... xiii
- Preface ........................................................................ xiv

Chapter 1
Frequent Questions

- Boosting Achievement ................................................. 1.4
- Lesson Planning ......................................................... 1.5
- Management .............................................................. 1.7
- Grading, Rewards ...................................................... 1.9
- Difficult Students ....................................................... 1.10
- Different Learners ..................................................... 1.11
- Multiple Intelligences, Differentiated Instruction ............... 1.12
- Possible Adverse Effects ............................................. 1.14
- How Do I Get Started, Convince Others? ....................... 1.20

Chapter 2
Why Do We Need Cooperative Learning?

- The Four Crises .......................................................... 2.1
- 1: Achievement .......................................................... 2.2
- 2: Achievement Gap ................................................... 2.3
- 3: Race Relations ........................................................ 2.5
- 4: Social Skills ............................................................. 2.6

Chapter 3
What Does the Research Say?

- Experimental Research on Cooperative Learning .............. 3.2
- Research on Kagan Structures ..................................... 3.8
- Case Study 1 ............................................................... 3.8
- Case Study 2 ............................................................... 3.10
- Case Study 3 ............................................................... 3.11
- Case Study 4 ............................................................... 3.13
- Case Study 5 ............................................................... 3.14
- Positive Outcomes of Kagan Structures ......................... 3.15
Chapter 4
Why Does Cooperative Learning Work?
• 1. Cooperative Learning Theory ........................................... 4.2
• 2. Classic Learning Theory ................................................. 4.2
• 3. Social Learning Theories ................................................ 4.6
• 4. Brain-Based Learning Theory ........................................... 4.9
• 5. Motivation Theories ..................................................... 4.13
• 6. Individual Differences Theories ........................................ 4.16
• 7. Expectation Theory ....................................................... 4.20
• 8. The Power of the Situation ............................................. 4.21
• Why Does Cooperative Learning Work? ............................ 4.24

Chapter 5
Seven Keys for Success
• The Seven Keys Concepts .............................................. 5.2
• Key 1. Structures ......................................................... 5.2
• Key 2. Teams ............................................................. 5.4
• Key 3. Management ...................................................... 5.6
• Key 4. Classbuilding ...................................................... 5.6
• Key 5. Teambuilding ...................................................... 5.7
• Key 6. Social Skills ....................................................... 5.8
• Key 7. Basic Principles (PIES) .......................................... 5.9

Chapter 6
Key 1. Structures
• What Is a Structure? ..................................................... 6.2
• A New, Better Way to Teach and Learn .............................. 6.2
• A Rich, Embedded Curriculum ....................................... 6.9
• Selecting Structures ........................................................ 6.10
• Structure Functions ...................................................... 6.11
• The History and Future of Structures ................................. 6.19
• Structures Step-by-Step .................................................. 6.23
• Structures Functions Dot Chart ....................................... 6.24

Chapter 7
Key 2. Teams
• The Basic Cooperative Learning Team ................................ 7.1
• Heterogeneous Teams ................................................... 7.4
• Heterogeneous Teamformation Methods ............................. 7.5
• Random Teams .......................................................... 7.11
• Random Teamformation Methods ................................... 7.12
• Student-Selected Teams .................................................. 7.17
• Student-Selected Teamformation Methods ......................... 7.17
• Homogeneous Teams ..................................................... 7.19
• The Pros and Cons of Different Types of Teams ................... 7.22
• Parting Activities .......................................................... 7.22
• Team Reunions ............................................................ 7.23
# Table of Contents

## Chapter 8
**Key 3. Management**
- The Cooperative Management Style 8.2
- Creating the Context for Cooperation 8.9
- Managing Attention 8.14
- Managing Noise 8.16
- Managing Time 8.18
- Managing Materials 8.20
- Managing Energy 8.20
- Student & Team Problems 8.21

## Chapter 9
**Key 4. Classbuilding**
- Classbuilding Structures and Activities 9.1
- Getting Acquainted 9.3
- Class Identity Building 9.9
- Mutual Support 9.13
- Valuing Differences 9.14
- Developing Synergy 9.16
- Class Restructuring 9.17

## Chapter 10
**Key 5. Teambuilding**
- The Five Aims of Teambuilding 10.1
- Teambuilding Structures and Activities 10.3
- When Teambuilding Is Essential 10.3
- Getting Acquainted 10.4
- Team Identity 10.13
- Team Puzzles and Challenges 10.14
- Mutual Support 10.23
- Valuing Differences 10.26
- Developing Synergy 10.31

## Chapter 11
**Key 6. Social Skills**
- Social Skills and the Embedded Curriculum 11.3
- 5 Strategies for Fostering Social Skills Development 11.3
- Strategy 1: Structures & Structuring 11.3
- Strategy 2: Roles & Gambits 11.9
- Strategy 3: Modeling 11.17
- Strategy 4: Reinforcement 11.18
- Strategy 5: Reflection & Planning 11.20
- Troubleshooting in the Cooperative Classroom 11.27
# Table of Contents

## Chapter 12

### Key 7. Basic Principles (PIES)

- The PIES Critical Questions ........................................ 12.2
- A PIES Analysis ..................................................... 12.24

## Chapter 13

### Cooperative Projects and Presentations

- Project Principles ............................................... 13.2
- Project Structures .............................................. 13.5
- Project and Presentation Feedback & Processing .... 13.15
- Project Ideas and Activities ................................. 13.15

## Chapter 14

### Planning Cooperative Lessons

- Early Implementation Challenges ...................... 14.1
- Transforming Lessons into Cooperative Lessons ..... 14.4
- Structure Sequences ...................................... 14.7
- Multi-Structural Lessons ................................. 14.8

## Chapter 15

### Assessment & Grading

- Cooperative Learning and Assessment ............ 15.2
- Cooperative Learning and Grading ................. 15.8

## Chapter 16

### Motivation Without Rewards & Competition

- Motivational Pitfalls ........................................ 16.2
- Motivational Strategies that Work ................... 16.6

## Chapter 17

### Classic Cooperative Learning

- Jigsaw Designs .................................................... 17.2
- Cooperative Investigations ............................ 17.7
- Mastery Designs ............................................... 17.17

## Subject Index

- ................................................................. I.1

## Author Index

- ................................................................. I.8
