

Implementation Support Day

You're planning to have a Kagan Coach to your school to support your teachers implementing Kagan Structures. Make the most of your Kagan Coach's school visit by adding on a day of Implementation Support. Your teachers will take a big step toward successful implementation and be better prepared for their day of Kagan Coaching!

Make the Most of Kagan Coaching!

Benefits

- ★ Get the most out of your Kagan Coach's school visit
- ★ Ensure your day of coaching goes off without a hitch
- ★ Provide teachers with next-level confidence before coaching
- ★ Step-up teacher implementation with additional planning time
- ★ Save on trainer travel with no additional travel fees

What an Implementation Support Day Looks Like...

- The day before coaching is scheduled as an Implementation Support day
- Your Kagan Coach will meet with small grade-alike or content-alike teacher groups
- Teachers will bring their lesson plans and teaching resources to the work session
- Your Kagan Coach will work with teachers to infuse highly-engaging, high-frequency structures into their lesson plans
- Your Kagan Coach will ensure teachers have selected an appropriate structure on which to be coached
- Teachers will have an opportunity to ask questions, make changes, and get expert advice
